REMARKS

In response to the Notice of Non-Compliant Amendment mailed on January 10, 2007, a complete listing of all of the claims is presented herewith. As per the Examiner's instruction, the complete listing of all the claims with the corrected status identifiers includes the amendments filed on April 26, 2006.

Applicants would like to elect Group I, claims 1-7, drawn to a device having first and second non-volatile memory devices, wherein the number of pins in the first device is higher than the number of pins in the second device, according to a respective first storage capacity and second storage capacity, classified in class 711, subclass 172. Please cancel Group II, claims 10-16, drawn to a device having first and second non-volatile memory devices where the configuration is the same for both devices, classified in class 711, subclass 105, without waiver, prejudice or disclaimer.

In addition, the complete listing of all claims reflects that the claims 8 and 9 were cancelled in the Preliminary Amendment filed on April 26, 2006, claims 17 and 18 were deleted in the amendment submitted on March 24, 2006, and claims 19-26 were repealed in the amendment presented on January 4, 2004.

If the Examiner believes that a telephone conference would expedite the examination of the above-identified patent application, the Examiner is invited to call the undersigned.
